

Weekends of Wonder: Children's Church

Solomon's UCC is pleased to offer an exciting new program for kids called Weekends of Wonder! On the second Saturday of every month, we will be offering a Christian education program for children ages 3 years and older. From 9:30 AM until noon, we will provide stories, songs, and activities designed to teach children about God and God's love. Meanwhile, guardians get the morning off! Go have brunch, enjoy the gym, run errands at *your* pace, drink a cup of coffee without reheating it - whatever it looks like for you, have a sabbath!

- Your child(ren) is/are not obligated to attend every month. Come when you can!
- All staff/volunteers have PA State Criminal Background Checks and Child Abuse History Clearances.
- Children are welcome to bring their own snacks, but we cannot provide them and will not allow children to share (for allergy protection). Water will be provided if a child does not bring their own.
 - We are NOT a peanut-free facility. Please contact us to discuss any accommodations we might be able to make to ensure a safe environment for your child(ren)!
- We may take pictures or do videos as part of our marketing and outreach of this program. No images (photos, videos, etc) taken of children in the program will include any identifying features of children without express, prior permission of their guardian. If guardians would like pictures they may take some of THEIR child(ren) at pick-up.
- Child(ren) must be potty trained.
- Child(ren) will not be released at pick-up to anyone other than legal guardians unless prior arrangement is made with SUCC staff/volunteers.
- Children and their loved ones are invited to attend Sunday worship at 10:15 the next morning and to share what they learned/created!
